

# THE PYDAR DISPATCH

MARCH 2022

Greetings! Feels like spring is right around the corner! We recently celebrated St Piran's Day at the Pop-up and we're so excited for this coming month full of public events and site activity. Read on to learn more.

## DEMOLITION HAS BEGUN

Thank you to everyone that came to the Contractor Drop-in Session earlier this month. As you know, works are underway and you will be seeing increased activity on the Pydar site. The demolition contractors, DSM Limited, will be taking every step necessary to ensure the safety and security of the public. They also have a comprehensive materials recycling plan so that 95% of all material will be recycled and safely hauled away from the site. For more stats like this or further information about the demolition, visit <https://www.pydar.co.uk/demolition> or contact the DSM team at Telephone Number: 0121 322 2225 or Email: C12228@dsmgroup.info

## COME SAY HELLO!

The project team are now preparing to develop the detailed design of Phase 1 of the scheme taking on board the comments and feedback from the local community, businesses and stakeholders. We've been working closely with Truro City Council on important issues like building styles, colours and materials. Now, it's your opportunity to review our progress and share your thoughts about the direction of this important design phase.

We encourage you to come visit us:

**Sunday 27 March**, 12-4pm at the Pydar Pop-up

**Monday 28 March**, 12-7pm at the Pydar Pop-up

**Wednesday 30 March**, 9am-12pm the Lemon Quay Farmers Market

**Wednesday 30 March**, 1pm-4pm at the Pydar Pop-up

**Thursday 31 March**, 8am-3pm at the Pydar Pop-up

## WHAT HAPPENS NEXT?

As the design progresses, there will be more opportunities through in-person and online events to share options for Phase 1 including materials and layouts. Throughout Summer 2022, the project team will come back to you to share update designs and plans for the site.

## FIND OUT MORE TO HELP SHAPE THE FUTURE OF PYDAR

For more information on the project and how you can have your say, visit our new website [www.pydar.co.uk](http://www.pydar.co.uk) or email [pydar@cornwall.gov.uk](mailto:pydar@cornwall.gov.uk). You can also drop-by the Pydar Pop-Up (8 St Clement Street) to get more information on upcoming events.

Follow @PydarTruro on Facebook, Twitter, or Instagram to keep up to date on all our project news.

## HAVE YOUR SAY ON TRURO'S COMMUNITY FACILITIES

Salt Projects Ltd, on behalf of Truro City Council, is carrying out surveys to identify the current and desired provision of community facilities in Truro. These surveys will help the City Council understand any gaps in the community facilities that are currently provided, and will help them to deliver future facilities that residents feel are needed.

Please email [charlotte@saltprojects.co.uk](mailto:charlotte@saltprojects.co.uk) to request an email version or a bookable phone call slot.
